2. All animals must be free of infectious and contagious diseases. Animals appearing unhealthy upon arrival may not enter the grounds.
3. After an animal passes its health examination, then the management will temporarily tag the animal's ear and assign the animal to a cage.
4. Animals do not need permanent tattoos.
5. Any rabbit showing signs of disease or poor health during Fair Week will be placed in a quarantined area & must be removed immediately by exhibitor. These health rules will be strictly enforced.

## GENERAL RULES

1. The management will use diligence to ensure the safety of all rabbits after their arrival and placement, but in no case are they responsible for loss or damage.

2. Cages could be re-assigned, if space restrictions require them to be, on the day of arrival – all owners/showers will be notified if this occurs to their animal.

3. All rabbits need to be at least 8 weeks old at the time of the show to be entered for competition.

4. Owners should anticipate having to provide feed for their own animals, but some will be provided by management at the Fair if feed is not available.

5. A reminder of general fair rules regarding passes: In order to purchase a \$5.00 wristband, exhibitor must have a rabbit entry fee of at least \$4.00 or more. Wristbands limited to two, immediate family only.

6. For every rabbit that an owner sells during the fair week, the management will collect a \$1 fee to go towards the further care and upkeep of our department.

7. Entry fee – 75 cents per open class entry.
