RE: 2019 Clarion County Fair

July 21-July 27

NOTICE: During the Fair Week, we will be revising the gate policy and camper locations. To improve the flow of traffic and control the number of vehicles on the grounds, we have established the following:

1. All traffic will enter through the parking field road. The traffic will proceed through the field road leading to the farm gate.

2. Only cars with passes will be allowed in this area, and you must affix the pass to your mirror. This will allow the parking attendant to direct you to the farm gate.
3. Wrist bands must be shown to the gate personnel for all people in the vehicle. The car pass allows the vehicle only.
4. Absolutely no vehicles will be permitted on the grounds from 11:00 a.m. to 11:00 p.m. This will be strictly enforced.
5. Vehicle parking area will be established. Please note the area around the barns and the blue building, and the center area around the grandstand and the old merry-go-round building, have been declared fire zones.
6. All persons staying on the Fairgrounds must stay at a campsite. No sleeping in the barns. All youth under age 20 staying all night, must furnish one chaperone who will also spend the night. Chaperone must be at least 21 years old. Chaperone must be registered with the Fair office and provide a roster of those they are responsible for.
7. Campers in the 4-H camping section must use #12 AWG or larger electric cord. Registration form available on the Clarion County Fair website.
8. Fairgrounds close at 12:00 midnight. Barns close at 11:00 p.m.
9. Youth violators of above Fair rules will be released to parents on the first violation. Second violation, youth will be barred from Fair competition. Adult violators will be escorted to the gate.
10. Livestock chairman may designate an adult supervisor to maintain security in the barn areas.

GENERAL RULES

1. All exhibitors agree to be bound by the rules and regulations of the Clarion County Fair.
2. The Fair management reserves the right to amend or add to these rules and regulations as its judgment may determine.
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage, but the Fair is not, in any way, to be held responsible for accidents, loss, or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss.
4. Entries will be made according to classification. Entries may be changes to proper categories at the superintendent's discretion. It shall be the responsibility of the exhibitor to make known the proper name of the article or breed of livestock he is entering. Any item entered improperly will be disqualified to receive a prize but the judges will mark the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
5. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a ribbon or rosette.
6. The Fair reserves the right to determine how many entries it will accept from an exhibitor in the same class or, in the case of livestock, the same breed.
7. THE DECISION of THE JUDGES SHALL BE FINAL IN ALL CASES except where mistakes, fraud, misrepresentation, or collusion, not discovered at the time of the award, is proved. In such cases, the

superintendent, manager, or secretary of the Fair or show, or such referee as he may appoint, may make the decision. The case may be appealed to the Fair management from whose decision there can be no appeal.

8. All entries must be grown, produced, or made in the area since the last Fair.

9. Superintendents of departments reserve the right of refusing to accept any entry. Furthermore, the superintendents reserve the right to bar from competition animals, vegetables, flowers, poultry, products, and manufactured articles of decidedly inferior quality and those not possessing sufficient merit to warrant recognitions.

10. The fair management may, at any time order the removal of any exhibit or part of the exhibit in bad condition and any article unfit to show may be excluded. Food products cannot be polluted with any substance or chemical that causes them to become poisonous and unfit to be used as food.

11. No exhibit may be removed at any time before the close of the Fair except by consent of the management.

12. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the Fair or show which shall be supplied by the Fair free of charge.

13. During the judging, buildings, except livestock arenas, are to be closed to everyone except Fair officials, judges, PA Fair Fund officials, and necessary attendants. No exhibitor nor his agent shall communicate with the judges during time of determining the awards except to answer questions proposed by the judges. Any exhibitor interfering with the judges while making awards shall forfeit any premiums to which he would otherwise be entitled.

14. No exhibitor may enter more than one article in each subdivision of each class in the Home Economics Divisions (Depts. 13, 15, 17, and 18) as well as in the Youth Under 19 Division (Dept. 11). Any article exhibited in 4-H, FFA, or FHA divisions is NOT eligible for competition also in Dept. 11, and therefore may only be registered in one or the other department—not both—regardless of the dates of judging for either. This is in agreement with the purpose of Dept. 11, according to state rules.

15. Entries in Dept. 10, 11, 13, 15, 17, 18, 19, and 20 will be accepted from 11:00 a.m. to 4:00 p.m., Sunday. Preregistration is encouraged in these departments. No Monday entries will be accepted. Judging in these departments will be Monday. Building will be closed until judging is finished and displays are completed.

16. A Baked Goods Auction will be held with items from Depts. 10, 11, and 15 on Monday at approximately 6:00 p.m.

17. All Home and Garden entries must stay until 8:00 p.m., Saturday evening or premiums will be forfeited. Entries may be picked up Saturday evening from 8:00 to 10:00 p.m. Exhibitors must be able to prove ownership of exhibits before claiming articles.

18. All Livestock entries must stay until 11:00 p.m. on Saturday.

19. While it is the full intention and desire to pay all premiums in full, as advertised in this premium catalog, yet should any contingency arise by reason of unfavorable weather, etc., whereby the receipts of the Association are short and/or the state reimbursement has been reduced or withdrawn, then in that event the Board reserves the right to pay pro-rata upon the gross receipts after deducting the expenses, and the amounts so paid shall discharge the obligations of the Association of the current year.

20. PASSES (Wristbands)—Open Exhibitors \$10.00 with animal entry fee of \$4.00 or more, limited to maximum of two, immediate family only. Rabbit exhibitors must have at least 5 rabbits exhibited to be eligible for an exhibitor wristband. Exhibitor and camper passes do not permit admission to stage, field shows or rides. Permanent camper passes will be issued through the fair office per the list given to us by the park administration. **Wristbands must be worn at all times.**

21. Premiums will be paid when State Fair reimbursement funds are received.

22. Entries accepted in the following order—4-H and Clarion County first, previous exhibitors second, others by date of entry, if space available.

23. No pets permitted on fairgrounds—service animals only.

24. Thursday night prior to Fair Week is work night on the grounds.

25. General admission, \$8.00 per person, includes parking, rides, and grandstand seating on a first-come, first-serve basis. Children 2 & under admitted free, unless child will be riding rides. No refunds. Sunday only--donation per vehicle.

26. Failure to follow any rules as stated will follow the following protocol:

1. Warning exhibitor and/or parent
2. Loss of premiums
3. Remove from fair

NOTICE

All persons who enter the grounds and use the facilities on said grounds for the purpose of exhibiting, displaying, competing, seeing the exhibits, being entertained by the attractions at the fair, or in any other manner participating in the Fair, do so at their own risk.

The Clarion County Fair Association will not intentionally show or permit to be shown any dangerous attractions on the grounds. However, the showing of certain attractions required that spectators be reasonably watchful of conduct of their children, and although the Fair Association will take very precaution, it will not be responsible for any personal injury or property damage suffered by reason of any attraction shown or exhibited during the Fair.

Any person entering the grounds in a state of intoxication or with intoxicating liquor, drugs, or illegal substances in his/her possession, or with concealed weapons on his/her person, forfeits all rights to the Fairgrounds. Pool selling, betting, or immoral conduct of any kind will positively not be permitted on the grounds.

3. Decorations with ribbons or ornaments previously won by animals at shows will be prohibited until after awards have been made in their respective classes by the judge

4. All livestock offered for premiums must have been the property of the owners 30 days or longer. (Livestock entered under a name other than the owner's shall be disqualified for premiums.)

5. The market animal should be weighed on the same set of scales, under a qualified weigh master at the discretion of the Fair.

6. Should any animals awarded a prize be disqualified, the animals gaining lower prizes shall move into the next higher position. If, in the opinion of the judges, the animals are worthy of such prizes.

7. Over fitting of all livestock will be discriminated against. Any artificial means used to change the form or shape of an animal will disqualify it from competition.

8. When accepted for exhibition, each animal must be shown in a halter and controlled by the owner or employee. The Fair will have standby attendants available during the youth judging or showing, persons designated if there is trouble with the animals. No relatives of an exhibitor should be in the ring at the same time as the exhibitor.

9. Joint ownership considered to be as one owner in accordance with registration papers.

10. The IAFE (International Associations of Fairs and Exposition) National Code of Show Ring Ethics shall govern care, showmanship, and conduct for all livestock shows during the Clarion County Fair. These are available for review on their website under the About Us tab.

11. All livestock including market animals will be released at 11:00 p.m., Saturday night. No loading prior to that time and it must be done in an orderly manner. All livestock must exit using the top road around the back side of the skating rink.

15. ALL ANIMALS entered in the breeding classes must be recorded or accepted for registry in the recognized books for their respective breeds. Only original breed registration papers will be accepted when checking entries. No photostats or other copies will be accepted.

16. No animals permitted on grounds before 8:00 p.m., Saturday prior to fair. No security until Sunday. All animal entries must use the farm gate and must be inspected by the barn superintendent before unloading. Check-in times will be from 8:00-10:00 p.m. Saturday and from 9:00 a.m. -- 11:00 a.m. Sunday. The only exception to this rule is if prior arrangements have been made with the livestock superintendent. Health papers must be presented to the barn superintendent before unloading.

17. Exhibitors are responsible for informing themselves as to when their stock will be shown. Stock must be in the ring promptly on call and failure to comply with the order renders exhibitors liable to be ruled out of competition.

18. Each exhibitor must submit a \$30 check, separate from entry fee per exhibitor, per species. No animal will be accepted without prepayment.

19. All livestock owners MUST clean stalls and outside the barns by the posted time and must check out with barn supervisor before leaving or the \$30 fee will not be returned. Voided checks will be returned with premium checks.

20. A Building & Grounds Fee of \$3.00 per head and \$.50 per rabbit has been added to entry fees.

21. Concerns should follow this chain of command:

*If this concern involves youth, an appointed representative from 4-H or FFA will be involved in the decision.

Foals less than six months of age accompanied by a test-negative dam are exempt from EIA testing requirements. If the foal is not accompanied by the dam, a copy of the dam's test results must accompany the foal to its final destination.

15. Horses and other equidae assembled for exhibition, competition, or sale should be immunized to prevent contagious respiratory disease not less than 15 days before the show. Exhibitors are advised to consult their veterinarian regarding proper conditioning and vaccination of their animals at least 30 days prior to the event.

The date of exam must also appear on the CVI. All sheep from other states must be accompanied by an interstate CVI issued by an accredited veterinarian indicating examination for health within 60 days.

For waterfowl, cloacal swab samples must be collected for testing, and the swabs may be tested using PCR techniques. Swabs from geese and ducks may not be combined in a tube for testing. Untested birds shall not be comingled with or added to the tested flock after negative samples have been collected and before the show.

SOCIAL AND DIGITAL MEDIA CODE OF CONDUCT

Adopted by the Clarion County Fair Association (CCF) on 3/18/2014

Social media can be defined in many ways. It includes electronic communications and online activities such as text messages, emails, wikis, and social networking like Facebook, Twitter and the like. It also includes posting comments such as on blogs. Because of the blur between personal and professional communications, this Code of Conduct helps explain what is recommended and expected.

1. Remember all internet postings are permanent—able to be duplicated and may go viral.
2. Use your common sense. If you wonder whether or not to communicate or post, don't do it.
3. For your protection and the protection of the CCF, you are prohibited from using internal or external social media channels to discuss confidential items, legal matters, litigation, or the organization's financial performance. Confidential information includes anything labeled as such or information not available to the public. When asked by others to discuss any of these matters, you should relay that "Our social media policy only allows authorized individuals to discuss these types of matters. I can refer you to an authorized individual if you'd like to ask them.", and then refer the questions to the APPROPRIATE COMMITTEE OR INDIVIDUAL.
4. Be open and honest about who you are when you communicate. CCF trusts and expects you to exercise personal responsibility whenever you use social media, which includes respecting the trust of those with whom you are engaging. However, these policies are not meant to interfere with your legal rights to bargain collectively or engage in concerted or protected activities.
5. Respect your privacy, your coworkers' privacy, and the organization's' privacy by not providing personal or confidential information without permission. Also, employees/volunteers are prohibited from sharing anything via social media channels that could violate another employee/volunteer's right to personal privacy.
6. Only those officially designated may use social media to speak on behalf of the CCF organization in an official capacity, though employees/volunteers may use social media to speak for yourself individually. If and when designated persons use social media to communicate on behalf of the organization, they should clearly identify themselves as an employee/volunteer.
7. If you are communicating with youth through any digital or social media, act as you would if you were communicating in person. Specifically, communicate with minors using transparency and in a group, or do not communicate at all. If it is necessary to send an individual message outside of a public area to a minor, copy another adult or parent. Do not initiate a one-on-one relationship (such as friending from a personal profile) with a minor.
8. Do not violate copyright and fair use laws and do not plagiarize another's work. Obtain permission if you wish to use material created by someone else.
9. Do not use the CCF's email address or social media channels for personal use.
10. Harassment, threats, intimidation, ethnic slurs, personal insults, pornography, obscenity, racial or religious intolerance, abuse, and any other form of behavior prohibited by law is also prohibited via social media channels. Do not engage in any such behavior and do not make or comment on any such behavior, comments, or remarks.

11. If you are not officially authorized to speak on behalf of the CCF, use a disclaimer saying that what you communicate is your personal opinion and not that of the organization when you are engaging in conversation on the CCF's social media channels. Two sample social media disclaimers include: (1) "I work for the CCF, and this is my personal opinion." Or (2) "I am not an official spokesperson, but my personal opinion is ...". This requirement is not meant to interfere with your rights to bargain collectively or engage in concerted or protected activities but rather to ensure that others can easily distinguish the official position of the organization or the organization's leadership from those of our employees/volunteers.

12. Users should use their best judgment when engaging in social media activities and should be on guard against actions and discussions that could harm the interests of our community, faith, or other persons.

13. Before posting photographs of any person, obtain his/her permission.

14. If you see a violation of this Code of Conduct, report it to the office or a director of the CCF. If you have questions about the Code of Conduct, please contact the CCF secretary.

15. All of the CCF's other policies apply to the use of digital and social media. All communication by employees or volunteers should take into account the organization's values, reputation, and workplace policies.

16. Any violation of the CCF's Social and Digital Media Code of Conduct may result in discipline and/or termination of employment or volunteer opportunities. Also, failure to abide by these guidelines and the CCF Code of Conduct could put your participation at risk. The CCF may elect to disqualify your activities at the Fair and render your right to collect premiums there as null and void.
