### What Runners Can Expect...

- Zombies are there to chase you
  - Avoid them and keep your flags.....use any strategy you can to "survive"
  - Zombies will NOT make contact with runners in anyway, other than attempting to capture the runner's flags
  - Direct contact between runners and zombies is strictly prohibited. Violators will be removed.
  - Course length may vary for each runner based on the strategy and direction chosen when entering the "infected zone"
  - Minor obstacles will be included in the park to climb over, go under or run around
  - Any obstacles are manageable by all running levels and may be skipped in choosing to do so
-
