RE: 2025 Clarion County Fair

July 20-July 26

NOTICE: During the Fair Week, we will be revising the gate policy and camper locations. To improve the flow of traffic and control the number of vehicles on the grounds, we have established the following:

1. All traffic will enter through the parking field road. The traffic will proceed through the field road leading to the farm gate.
2. Only cars with passes will be allowed in this area, and you must affix the pass to your mirror. This will allow the parking attendant to direct you to the farm gate.
3. Wrist bands must be shown to the gate personnel for all people in the vehicle. The car pass allows the vehicle only.
4. Absolutely no vehicles will be permitted on the grounds from 11:00 a.m. to 11:00 p.m. This will be strictly enforced.
5. Vehicle parking area will be established. Please note the area around the barns and the blue building, and the center area around the grandstand and the old merry-go-round building, have been declared fire zones.
6. All persons staying on the Fairgrounds must stay at a campsite. No sleeping in the barns. All youth under age 20 staying all night, must furnish one chaperone who will also spend the night. Chaperone must be at least 21 years old. Chaperone must be registered with the Fair office and provide a roster of those they are responsible for.
7. Campers in the 4-H camping section must use #12 AWG or larger electric cord. Registration form available on the Clarion County Fair website.
8. Fairgrounds close at 12:00 midnight. Barns close at 11:00 p.m.
9. Youth violators of above Fair rules will be released to parents on the first violation. Second violation, youth will be barred from Fair competition. Adult violators will be escorted to the gate.
10. Livestock chairman may designate an adult supervisor to maintain security in the barn areas.

GENERAL RULES

1. All exhibitors agree to be bound by the rules and regulations of the Clarion County Fair.
2. **The Fair management reserves the right to amend or add to these rules and regulations as its judgment may determine. Please check the website for updates and changes.**
3. Reasonable care will be taken to protect all exhibits on display from all injury and damage, but the Fair is not, in any way, to be held responsible for accidents, loss, or damage by water, fire, theft, or otherwise, whatever may be the cause or extent of the damage or loss.
4. Entries will be made according to classification. Entries may be changed to proper categories at the superintendent's discretion. It shall be the responsibility of the exhibitor to make known the proper name of the article or breed of livestock he is entering. Any item entered improperly will be disqualified to receive a prize but the judges will mark the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.
5. Premiums, as listed, may be given for meritorious exhibits. In cases where there is no competition, judges may give an award such as they deem the exhibit is worthy to receive. Same rule applies where there are fewer entries in any class than the number of premiums offered. The judges may, at their discretion, award a ribbon or rosette.

6. The Fair reserves the right to determine how many entries it will accept from an exhibitor in the same class or, in the case of livestock, the same breed.

7. THE DECISION OF THE JUDGES SHALL BE FINAL IN ALL CASES except where mistakes, fraud, misrepresentation, or collusion, not discovered at the time of the award, is proved. In such cases, the superintendent, manager, or secretary of the Fair or show, or such referee as he may appoint, may make the decision. The case may be appealed to the Fair management from whose decision there can be no appeal. All protests regarding the judging must be made in writing and must plainly state the cause of the complaint or appeal. Such protests must be filed at the fair office within 24 hours of the occurrence.

8. All entries must be grown, produced, or made in the area since the last Fair by the person whose names appears on the tag as exhibitor. Any exhibit improperly entered will be disqualified to receive a premium, but the judges will make the correct name on the entry tag for the benefit of the owner so the same mistake in entering need not be made the second time.

9. Superintendents of departments reserve the right of refusing to accept any entry. Furthermore, the superintendents reserve the right to bar from competition animals, vegetables, flowers, poultry, products, and manufactured articles of decidedly inferior quality and those not possessing sufficient merit to warrant recognitions.

10. The fair management may, at any time order the removal of any exhibit or part of the exhibit in bad condition and any article unfit to show may be excluded. Food products cannot be treated with any substance or chemical that causes them to become poisonous and unfit to be used as food. Any such incidents must be reported to the Pennsylvania Agricultural Fair Program for further review.

11. No exhibit may be removed at any time before the close of the fair except by consent of the management of the fair.

12. Where award ribbons are stolen or destroyed, the exhibitor may receive a duplicate at the close of the fair or show which shall be supplied by the fair free of charge.

13. During the judging, buildings, and possibly livestock arenas, are to be closed to everyone except Fair officials, judges, PA Fair Fund officials, and necessary attendants. No exhibitor nor his agent shall communicate with the judges during time of determining the awards except to answer questions proposed by the judges. Any exhibitor interfering with the judges while making awards shall forfeit any premiums to which he would otherwise be entitled.

14. No exhibitor may enter more than one article in each subdivision of each class in the Home Economics Divisions (Depts. 12, 13, 15, 17, 18, and 19) as well as in the Youth Under 19 Division (Dept. 11). Any article exhibited in 4-H, FFA, or FHA divisions is NOT eligible for competition also in Dept. 11, and therefore may only be registered in one or the other department—not both—regardless of the dates of judging for either. This is in agreement with the purpose of Dept. 11, according to state rules.

15. Entries in Dept. 10, 11, 13, 15, 17, 18, 19, and 20 will be accepted from 11:00 p.m. to 3:00 p.m., Saturday and Sunday 10:00 a.m.-11:00 a.m. for pre-registered items only. Preregistration is encouraged in these departments. No entries will be accepted at any other time. Judging in these departments will be Sunday. Building will be closed until judging is finished and displays are completed.

16. A Baked Goods Auction will be held with items from Depts. 10, 11, and 15 on Monday at approximately 6:00 p.m.

17. **All Home and Garden entries must stay until 7:00 p.m., Saturday evening or premiums will be forfeited.** Entries may be picked up Saturday evening from 7:00 to 8:30 p.m. Exhibitors must be able to prove ownership of exhibits before claiming articles.

18. **All Livestock entries must stay until 11:00 p.m. on Saturday.**

19. While it is the full intention and desire to pay all premiums in full, as advertised in this premium catalog, yet should any contingency arise by reason of unfavorable weather, etc., whereby the receipts of the Association are short and/or the state reimbursement has been reduced or withdrawn, then in that event the Board reserves the right to pay pro-rata upon the gross receipts after deducting the expenses, and the amounts so paid shall discharge the obligations of the Association of the current year.

20. **PASSES (Wristbands)**—Open Exhibitors \$10.00 with animal entry fee of \$4.00 or more, limited to maximum of two, immediate family only. Rabbit exhibitors must have at least 5 rabbits exhibited to be eligible for an exhibitor wristband. Exhibitor and camper passes do not permit admission to stage, field shows or rides. Permanent camper passes will be issued through the fair office per the list given to us by the park administration. **Wristbands must be worn at all times.**

21. Premiums will be paid when State Fair reimbursement funds are received.

22. **Entries accepted in the following order—4-H and Clarion County first, previous exhibitors second, others by date of entry, if space available.**

23. No pets permitted on fairgrounds—service animals only.

24. Thursday night prior to Fair Week is work night on the grounds.

25. General admission, \$10.00 per person, includes parking, rides, and grandstand seating on a first-come, first-serve basis. Presale tickets can be purchased for \$8. Children 2 & under admitted free, unless child will be riding rides. No refunds. Sunday only--donation per vehicle.

26. Failure to follow any rules as stated will follow the following protocol:

1. Warning exhibitor and/or parent
2. Loss of premiums
3. Remove from fair

NOTICE

All persons who enter the grounds and use the facilities on said grounds for the purpose of exhibiting, displaying, competing, seeing the exhibits, being entertained by the attractions at the fair, or in any other manner participating in the Fair, do so at their own risk.

The Clarion County Fair Association will not intentionally show or permit to be shown any dangerous attractions on the grounds. However, the showing of certain attractions required that spectators be reasonably watchful of conduct of their children, and although the Fair Association will take very precaution, it will not be responsible for any personal injury or property damage suffered by reason of any attraction shown or exhibited during the Fair.

Any person entering the grounds in a state of intoxication or with intoxicating liquor, drugs, or illegal substances in his/her possession, or with concealed weapons on his/her person, forfeits all rights to the Fairgrounds. Pool selling, betting, or immoral conduct of any kind will positively not be permitted on the grounds.

RULES FOR LIVESTOCK
Laura Heasley, 814-590-3836;
Gene Rapp, 814-541-8712

For any exhibition held at the Clarion County Fair, the following will be in effect. The fair board will accept a zero-tolerance standard concerning drug residue in an exhibition livestock bred, raised, and intended for slaughter for food purposes. This means that once an animal is on the Clarion County Fairgrounds or is brought for exhibition in association with the Clarion County Fair, anything considered a drug by the FDA or an unlawful substance by PDA cannot be used under any circumstances in any form if the animal is going to enter the show and be sold at auction. Animals under the care of a licensed veterinary and/or taking any type of performance enhancing medication or feeds which may include but is not limited to steroids, diuretics, anti-inflammatory, tranquilizers, and pain killers are ineligible for competition. In instances where an animal has been administered an approved FDA drug for its species, the exhibitor must be aware drug residue may be found in the system longer than the labeled withdrawal time. Adequate time must have passed so the animal does not test positive for drugs upon arrival. Once the animal arrives on the fairgrounds, they must remain free and clear of all drug and chemical residues. As a condition of the Clarion County Fair, exhibitors must agree to submit their animal entry to any inspection or tests requested by the fair management. Tissue, hair, blood samples and/or carcass evaluations which yield a positive result will have the following consequences: remove the rights and privileges of the exhibitor and to be subject to awards and prize money forfeiture, which includes auction proceeds, and dismissal from the fairgrounds, barred from competition for one year. The second offense will be barred from the fair permanently. The exhibitor and parent or guardian are responsible for knowing the guidelines, rules and laws set forth by the PDA, fair board, 4-H, and FFA programs. Ignorance of the law or rules will not be accepted. To maintain a high degree of confidence in the livestock show, the entities reserve the right to disqualify any animals that are found not to be free of an unethical substance or/and unacceptable practices. All animals, and the exhibitors and families involved, giving evidence of such treatment, will be barred from competition at the Clarion County Fair. If you have any questions, please call one of the numbers listed above.

1. Clarion County Fair prohibits the use of drugs, biologics, or any chemical from fitting products in the raising of all Junior Livestock Animals being shown at our fair. If it is found upon slaughter, that the meat was in violation of the "Federal Meat Inspection Act", the loss of the carcass and any other damages will be borne by the exhibitor.
2. Exhibitors will be expected to display or parade their animals as directed by the chairman; to accept the stall assigned without controversy; to keep their animals in an attractive appearance, and to cooperate with the fair association in every way that may serve to increase the educational value of the show.
3. Decorations with ribbons or ornaments previously won by animals at shows will be prohibited until after awards have been made in their respective classes by the judge
4. All livestock offered for premiums must have been the property of the owners 30 days or longer. (Livestock entered under a name other than the owner's shall be disqualified for premiums.) Health papers are to be issued in the name of the exhibitor.
5. The market animal should be weighed on the same set of scales, under a qualified weigh master at the discretion of the Fair.
6. Should any animals be awarded a prize be disqualified, the animals gaining lower prizes shall move into the next higher position. If, in the opinion of the judges, the animals are worthy of such prizes.
7. Overfitting of all livestock is discouraged. Any artificial means used to change the form or shape of an animal will disqualify it from competition.
8. When accepted for exhibition, each animal must be shown in a halter and controlled by the owner or employee. The Fair will have standby attendants available during the youth judging or showing, persons designated if there is trouble with the animals. No relatives of an exhibitor should be in the ring at the same time as the exhibitor.
9. Joint ownership considered to be as one owner in accordance with registration papers.
10. The IAFE (International Associations of Fairs and Exposition) National Code of Show Ring Ethics shall govern care, showmanship, and conduct for all livestock shows during the Clarion County Fair. These are available for review on their website under the About Us tab.
11. All livestock including market animals will be released at 11:00 p.m., Saturday night. No loading prior to that time and it must be done in an orderly manner. All livestock must exit using the top road around the back side of the skating rink.
12. Animals that leave the grounds for any reason cannot return.
13. Limited sawdust will be supplied by the Fair Association. Each exhibitor will supply his own grain, hay, and bedding.
14. Any animal which cannot be satisfactorily handled under show conditions will be removed from Fairgrounds in accordance with livestock committee decisions.
15. ALL ANIMALS entered in the breeding classes must be recorded or accepted for registry in the recognized books for their respective breeds. Exhibitors must have registration and transfer certificates available for inspection by management at any time until the judging of the breed is completed. Only original breed registration papers will be accepted when checking entries. No photostats or other copies will be accepted.

16. No animals permitted on grounds before 8:00 p.m., Saturday prior to fair. No security until Sunday. All animal entries must use the farm gate and must be inspected by the barn superintendent before unloading. Check-in times will be from 8:00-10:00 p.m. Saturday and from 9:00 a.m. --11:00 a.m. Sunday. The only exception to this rule is if prior arrangements have been made with the livestock superintendent. Health papers must be presented to the barn superintendent before unloading.

17. Exhibitors are responsible for informing themselves as to when their stock will be shown. Stock must be in the ring promptly on call and failure to comply with the order renders exhibitors liable to be ruled out of competition.

18. Each exhibitor must submit a \$30 check, separate from entry fee per exhibitor, per species. No animal will be accepted without prepayment.

19. All livestock owners MUST clean stalls and outside the barns by the posted time and must check out with barn supervisor before leaving or the \$30 fee will not be returned. Voided checks will be returned with premium checks.

20. A Building & Grounds Fee of \$3.00 per head and \$.50 per rabbit has been added to entry fees except for horses. Horses should pay \$3.00 per head with registration.

21. Concerns should follow this chain of command:

*If this concern involves youth, an appointed representative from 4-H or FFA will be involved in the decision.

22. Entries close June 1.

23. If an animal bites a person and draws blood, the animal must be removed from the fair and quarantined for 10 days.

2025 PA Preferred® Junior Baking Contest Cookies, Brownies and Bars

The goal of the PA Preferred® Baking Contest is to encourage young people across the Commonwealth to participate in Pennsylvania's agricultural fairs by showcasing Pennsylvania grown and produced products in their contest entries.

RULES:

1. Open to any individual amateur baker (ages 8 through 18 at the time of the fair's contest) who is a Pennsylvania resident. One entry per person.
2. Entrants may NOT have won 1st place in this PA Preferred® Junior Baking contest at any other fair in 2025.
3. Entry must be six (6) individual sized portions of the baked entry item (cookies, brownies or bars).
4. The Cookies, Brownies or Bars, and any fillings and frostings, must be made from scratch with edible ingredients. No pre-packaged ingredients may be used (ex: no pre-made mixes, cookie dough, pie crust, frosting, etc.). Any decorations must just be edible.
5. At least two (2) PA Preferred® or locally produced ingredients must be used in the recipe. Some examples of qualifying ingredients include grains (such as oats or flour), butter, milk, eggs, fruits and/or vegetables.
6. A PA Preferred® logo is not required because not all PA Preferred® products carry the label. The name of the ingredient and the source is sufficient (see attached example). Contact RA-AGPAPreferred@pa.gov for any assistance with qualifying ingredients.
7. Entry must be submitted for judging on a food safe disposable setting. (All pans, plates and dishes are considered to be disposable and will not be returned.)
8. The PA Preferred® entry and its recipes will become the property of the Fair or PA Farm Show and will not be returned.
9. Recipe(s) must be submitted with the entry, printed on one side of 8-1/2" x 11" sheets of paper. Recipe must list all ingredients, quantities, and the preparation instructions. The name of each PA Preferred® ingredient or locally produced ingredient must be clearly listed along with the name of the source that made/grew the product (ex: PA Preferred Milk – Galliker's brand; or Apples – Smith Farm Orchard). Entrant's name, age, address and phone number must be printed on the back side of all the pages.
10. Refrigeration is not available at the fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.

BLUE RIBBON APPLE PIE CONTEST

Class # 15043 Fair Premiums-1st-\$25, 2nd-\$20, 3rd-\$15

INSTRUCTIONS TO BE USED BY FAIRS AT THEIR 2025 EVENT

Each county/local fair is encouraged to conduct a 37th Annual Blue Ribbon Apple Pie Contest at their 2025 event. Listed below are the criteria which we would like each fair to use in their contest. The certified first place winner from each fair will then have the opportunity to enter an apple pie in the BLUE RIBBON APPLE PIE CONTEST at the 2026 PENNSYLVANIA FARM SHOW.

RULES for local Fair and the PA Farm Show contests are as follows:

1. Open to any individual **amateur** baker who is a Pennsylvania resident. One entry per person.
2. Entrants may **NOT** have won 1st place in this Blue Ribbon Apple Pie contest at any other fair in 2025.
3. The Apple Pie, including fillings and crust, must be **made from scratch with edible ingredients**. No pre-packaged ingredients may be used (*ex: no pre-made mixes, cookie dough, pie crust, frosting, etc.*) Any decorations must just be edible.
4. Recipe must include at least 60% apples in the filling. It does not need to be a "traditional" two crusted apple pie and it can have a variety of fillings.
5. The entire pie must be submitted for judging in a food safe disposable pie pan. (*All pans, plates and dishes are considered to be disposable and will not be returned.*)
6. The Pie entry and its recipes will become the property of the Fair or PA Farm Show and will **not** be returned.
7. The recipe for the pie and pie crust must be submitted with the entry. It should be submitted on one side of 8 1/2" by 11" sheets of paper. The recipe must list all the ingredients, quantities, and the preparation instructions. Entrant's name, address and phone number must be printed on the back side of all the pages.
8. Refrigeration is **not** available at the Fair or PA Farm Show. Entries that require refrigeration after baking must indicate so in the recipe. Those entries will not be sold, auctioned or otherwise distributed for consumption after judging for food safety reasons.
9. Judging will be based on the following criteria:

Flavor	35 points
Filling (consistency, doneness, moistness & flavor)	25 points
Crust (color, flavor, texture, doneness)	20 points
Overall Appearance (surface, shape, size, color)	15 points
Creativity	5 points
TOTAL	100 Points

Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

Each Fair must submit the Contest Summary Report verifying the winning apple pie baker. This person will then be eligible to enter the state competition at the 2026 PA Farm Show and will receive the Official PA Farm Show Certification Entry Form directly from the PA Fairs Special Baking Contest Committee.

NOTE: If an individual has already won 1st place at another fair in 2025 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2026 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

First Place Winner is eligible for the 2026 PA Farm Show competition.

SOCIAL AND DIGITAL MEDIA CODE OF CONDUCT

Adopted by the Clarion County Fair Association (CCF) on 3/18/2014

Social media can be defined in many ways. It includes electronic communications and online activities such as text messages, emails, wikis, and social networking like Facebook, Twitter and the like. It also includes posting comments such as on blogs. Because of the blue between personal and professional communications, this Code of Conduct helps explain what is recommended and expected.

1. Remember all internet postings are permanent—able to be duplicated and may go viral.
2. Use your common sense. If you wonder whether or not to communicate or post, don't do it.
3. For your protection and the protection of the CCF, you are prohibited from using internal or external social media channels to discuss confidential items, legal matters, litigation, or the organization's financial performance. Confidential information includes anything labeled as such or information not available to the public. When asked by others to discuss any of these matters, you should relay that "Our social media policy only allows authorized individuals to discuss these types of matters. I can refer you to an authorized individual if you'd like to ask them.", and then refer the questions to the APPROPRIATE COMMITTEE OR INDIVIDUAL.
4. Be open and honest about who you are when you communicate. CCF trusts and expects you to exercise personal responsibility whenever you use social media, which includes respecting the trust of those with whom you are engaging. However, these policies are not meant to interfere with your legal rights to bargain collectively or engage in concerted or protected activities.
5. Respect your privacy, your coworkers' privacy, and the organization's' privacy by not providing personal or confidential information without permission. Also, employees/volunteers are prohibited from sharing anything via social media channels that could violate another employee/volunteer's right to personal privacy.
6. Only those officially designated may use social media to speak on behalf of the CCF organization in an official capacity, though employees/volunteers may use social media to speak for yourself individually. If and when designated persons use social media to communicate on behalf of the organization, they should clearly identify themselves as an employee/volunteer.
7. If you are communicating with youth through any digital or social media, act as you would if you were communicating in person. Specifically, communicate with minors using transparency and in a group, or do not communicate at all. If it is necessary to send an individual message outside of a public area to a minor, copy another adult or parent. Do not initiate a one-on-one relationship (such as friending from a personal profile) with a minor.
8. Do not violate copyright and fair use laws and do not plagiarize another's work. Obtain permission if you wish to use material created by someone else.
9. Do not use the CCF's email address or social media channels for personal use.
10. Harassment, threats, intimidation, ethnic slurs, personal insults, pornography, obscenity, racial or religious intolerance, abuse, and any other form of behavior prohibited by law is also prohibited via social media channels. Do not engage in any such behavior and do not make or comment on any such behavior, comments, or remarks.

11. If you are not officially authorized to speak on behalf of the CCF, use a disclaimer saying that what you communicate is your personal opinion and not that of the organization when you are engaging in conversation on the CCF's social media channels. Two sample social media disclaimers include: (1) "I work for the CCF, and this is my personal opinion." Or (2) "I am not an official spokesperson, but my personal opinion is ...". This requirement is not meant to interfere with your rights to bargain collectively or engage in concerted or protected activities but rather to ensure that others can easily distinguish the official position of the organization or the organization's leadership from those of our employees/volunteers.

12. Users should use their best judgment when engaging in social media activities and should be on guard against actions and discussions that could harm the interests of our community, faith, or other persons.

13. Before posting photographs of any person, obtain his/her permission.

14. If you see a violation of this Code of Conduct, report it to the office or a director of the CCF. If you have questions about the Code of Conduct, please contact the CCF secretary.

15. All of the CCF's other policies apply to the use of digital and social media. All communication by employees or volunteers should take into account the organization's values, reputation, and workplace policies.

16. Any violation of the CCF's Social and Digital Media Code of Conduct may result in discipline and/or termination of employment or volunteer opportunities. Also, failure to abide by these guidelines and the CCF Code of Conduct could put your participation at risk. The CCF may elect to disqualify your activities at the Fair and render your right to collect premiums there as null and void.
